City	State	Country	ZIP/Postal Code														
Passport Nationality	Passport Number																
Date Issues	Expiration Date																
This is a refresher class for me																	

Thank you for completing this application for the dispatch training. We will only guarantee a student's space in a class upon receiving a \$100 nonrefundable deposit. We reserve the right to change any start and graduation dates of classes. There is no guarantee this training will result in a Dispatcher job with an airline, but we will continue to work with students for job placements. Job search assistance services are offered as part of the Dispatch training. There might be a fee involved for services such as writing a student's resume, etc., but basic job search training is a part of the training class. We do not guarantee that every student will pass the FAA exam but will provide training classes until this is achieved as well as free lifetime refresher training. However we will require that the students have current publications for this training, and there might be a fee for any school produced training material for the refresher training. No student will be allowed to attend classes unless they are at least 21 years old. The student is responsible for any and all charges related to the training even if another person or company sponsors him or her. Class tuition is due day one of class unless other arrangements are approved in writing by an AFDTC Manager.
